We reinvented ourselves because we enjoy working side by side and are in position to offer you valuable personal and professional services. We are able to tailor ourselves according to your needs. We are both convinced that you will appreciate our honest, loyal and hardworking ethics to keep you going the direction you desire.

Mike brings over 20 years of management experience as a JC Penney building manager.

Diane brings over 20 years of combined residential real estate finance and home sales experience.

Testimonial:

"We sure do miss you around here. The Country Inn is not the same without you guys. You were the heart and personality of the place and that's something that's hard to replace."

Mike & Diane Terry

"Meticulous Mike" has been watching cooking shows before it was popular to follow the food network stars. Although he doesn't claim to be a gourmet cook with professional training there are rumors that he has **certainly earned credentials**. I prefer taking the position of "Sous chef" and "chief picture taker".
